

# Donington Historic Festival 5<sup>th</sup> and 6<sup>th</sup> May 2012.

This event is now into its second year and if it is as good as last year it will be BRILLIANT but I am sure it will be better.

Once again we have obtained Club discount tickets and in-field parking for all TSSC members and a limited number of track parade laps.

To take advantage of the Club Discount [Click Here to buy tickets](#) and where prompted enter the Triumph Sports Six Club code:
