Dear Enthusiast,

I am writing to invite you to this year's Classic Vehicle Show as part of the Warsop Carnival, to be held on Sunday 18th July 2010.

As those of you have attended on previous occasions will know, the Carnival is a lively occasion for all the family and our vehicles are an integral part of the show. Entry is free, and anyone wishing to participate in the Carnival Parade before the show should report to the Swallows Pub by 11.00am.

Those coming direct to the show should try to be on site by 12.00 noon, and should enter the Carnival ground via the War Memorial car park and follow the service road round the right hand outside edge of the site to access our display area. Please do not try to cut across the centre of the grounds, as this may cause a safety hazard to the general public.

An entry form is attached for your use- if you have friends who would like to join us, please feel free to copy and pass on, or they can write direct to me with their details. Our interpretation of Classic is very broad, we will welcome any interesting or unusual vehicle of any age- if you have a brand new Ferrari, please bring it along!

The committee and I look forward to seeing you and on your arrival I will explain a few more changes that have been made, hopefully to make your day even better. Best wishes, Glenn.
